*Discover the pleasure of cutting up fabric
& sewing it back together in creative ways
– we have a lot of fun!*

The following classes are held at the Linnaeus Study Room in the grounds of The University of Bristol Botanic Garden in Stoke Bishop. If you are interested in joining, I recommend you visit a class; you can meet me and the students, and talk to them about their work. Contact me through the link on the website for more information on specific classes and to arrange a visit.

Beginner level

Day/Time: Friday pm 1.00 -4.00 (For term dates & costs see below)*

The beginners class introduces new students to some of the many patchwork & quilting techniques in a friendly and informal class. The programme is structured to develop skills and confidence and covers hand-sewing techniques in the first (Autumn) term, machine techniques in the Spring Term followed by finishing techniques in the Summer term. You will make a series of samples that can be put together as a sampler quilt in a colour scheme of your choice. (There are lots of examples to see on the website).

Please note: The class is currently weekly, but may change to fortnightly to enable more students to join. Email me for further information.
